

PREPRESS OPERATOR

Location: Cork City Centre

➤ Job Summary:

Hacketts is seeking a motivated and detail-oriented person to join our dynamic team in Cork City Centre as a Prepress/Print Operator. This is an excellent opportunity for a recent graduate or someone new to the industry to grow their skills in a fast-paced and supportive environment. Prior experience in prepress, design, or the print industry is advantageous but not essential, as full training will be provided.

➤ Key Responsibilities:

- Collaborate with account managers and clients to manage incoming and outgoing print jobs, ensuring files are approved and ready for final print.
- Utilise Adobe Suite (InDesign, Illustrator, Photoshop, Acrobat) to prepare and adjust digital files for printing.
- Efficiently log and process job information through our work management system.
- Create digital proofs for client approval, making necessary adjustments based on feedback.
- Perform quality checks on proofs to ensure clarity, alignment, and colour accuracy before printing.
- Troubleshoot and resolve prepress issues, ensuring smooth workflow and adherence to deadlines.
- Assist in print production and finishing.

➤ Ideal Candidate:

- Strong communication skills with the ability to work both independently and as part of a team.
- High level of self-motivation and initiative.
- Excellent attention to detail and a commitment to maintaining high-quality standards.
- Ability to manage multiple tasks and work under tight deadlines.
- Previous knowledge of Adobe Suite software for the prepress/design/print industry is desirable but not essential.

Hacketts is a cornerstone of the printing industry in Ireland, known for our expertise across diverse sectors including architecture, construction, renewable energy, finance, government, education, and more. With decades of experience, our team excels in tackling any print or design challenge with precision and creativity.

Why Join Us?

- Opportunity to work with a leading print company and learn from experienced professionals.
- Competitive remuneration package.
- Supportive team environment with opportunities for career advancement.
- Hands-on training and professional development to help you succeed.
